PUMP SERVICES INC.

**Municipal Water
Waste Water**

Delivering Service, Quality and Honesty

Telephone: 403-692-3000 Email: info@candyne.com www.candyne.com

Vertical Turbine Pump / Axial Flow Pump

Volumes up to 50,400 m³/hr (221,926 gpm)
Discharge pressure up to 588 kPa (85 psi)

BRAND LAYNE BOWLER

- APPLICATIONS:
- Pump water from underground reservoirs or wells
 - Raw water transfer & lift
 - Water disposal
 - Offsites & water treatment
 - Water supply / distribution
 - Raw water abrasive service
 - Flood Control
 - Golf Courses

✓ Most Models in Stock for Quick Delivery!

Vertical Multi-Stage Centrifugal Pump

Volumes up to 113 m³/hr (498 gpm)
Discharge pressure up to 2,496 kPa (362 psi)

BRAND MOVITEC (KSB)

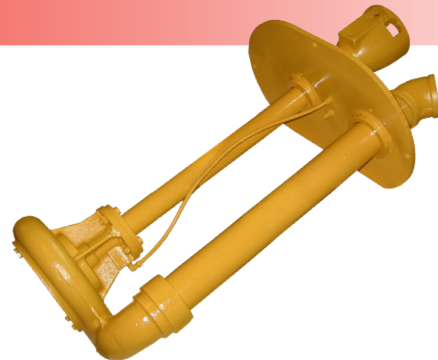

- APPLICATIONS:
- Water transfer & boost
 - Transfer of most liquids

Cantilever Submersible Pump

Volumes up to 454 m³/hr (2,000 gpm)
Discharge pressure up to 689 kPa (100 psi)

BRAND SWABY

- APPLICATIONS:
- Waste water transfer
 - Sump pumps
 - Storm water

Diaphragm Pump (Air Operated Double Diaphragm)

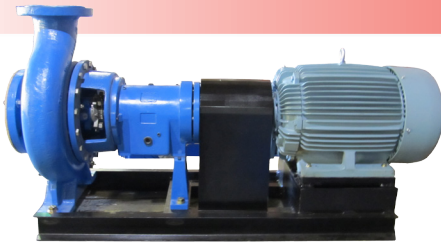

Volumes up to 94 m³/hr (414 gpm)
Discharge pressure up to 621 kPa (90 psi)

BRAND PUMPS 2000, TITAN

- APPLICATIONS:
- Fluid transfers of most types
 - Fluids with large particulates

Delivering Service,

Centrifugal Pump (Horizontal End Suction)

Horsepower from 0.19 kw to 186 kw (¼ hp to 250 hp)
Volumes up to 1,589 m³/hr (7,000 gpm)
Discharge pressure up to 2,206 kPa (320 psi)

BRANDS TITAN, CENTRIPUMP, KSB

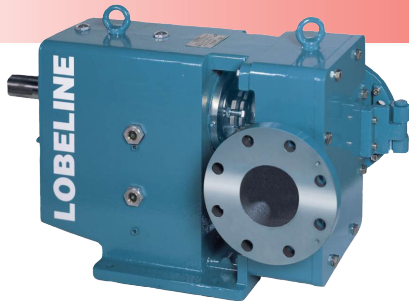

APPLICATIONS: • Water transfer & boost
• Transfer of most liquids

Submersible Pump / Shredder Pumps

Volumes up to 10,000 m³/hr (44,033 gpm)
Discharge pressure up to 1,172 kPa (170 psi)

BRANDS BJM, TSURUMI, KSB

APPLICATIONS: • De-watering
• Waste water transfer & boost
• Sewage / Solids shredding

Rotary Lobe Pump

Volumes up to 523 m³/hr (2,300 gpm)
Discharge pressure up to 1,034 kPa (150 psi)

BRANDS LOBELINE, MEGATOR

APPLICATIONS: • De-watering
• Waste water transfer & boost
• Sewage / Solids shredding

Sliding Shoe Pump

Volumes up to 60 m³/hr (264 gpm)
Discharge pressure up to 758 kPa (110 psi)

BRAND MEGATOR

Easily field repaired and maintained.
See www.megator.com for more information about how it works!

APPLICATIONS: • Handles all types of non-abrasive fluids

Quality and Honesty
